ABOUT US

Beyond the Sea Memorial Services was established in 2007 by my father Captain George Miller. His goal was always to provide personal closure for families and loved ones with a dignified and respectful memorial at sea.

He retired in 2022, and I am honored to continue his legacy. I am committed to delivering exceptional memorial at sea experiences that go beyond your expectations to create lasting memories.

Thank you - Tony Miller
Captain, Something Special

A Touching Sea Tribute
FOR YOUR LOVED ONE

Paying your last respects and saying your final goodbye to a loved one who has passed away is never easy. Beyond the Sea Memorial Services provides convenient and worry-free funeral services at sea that you and your family can depend on in this difficult time.

Let us help give you and your family a poignant and profound memorial service, where you can say your final goodbyes surrounded by the comforting presence of the sea.
